

Seniors Strategy Consultation

Come share your views about Seniors Services in our City

Monday October 29, 2012

2:00 - 4:00 PM

**East York Civic Centre
850 Coxwell Avenue**

Over the next decade, the number of seniors living in Toronto will increase dramatically. City staff are developing a strategic plan to prepare for this demographic shift. It is important that our City remains safe, navigable, affordable, accessible and enjoyable for everyone. The information gathered at this consultation will help to identify service priorities and innovative ideas to improve senior services in our city.
